 T49N, R16W

Surveyors Notes:

- 1) All exterior boundary data is taken from a survey by Jerry D. Taylor, MN PLS 44891, dated 6/21/2007, Salo Engineering Job Number L4429, Field Work and Survey Analysis in 2013/2014 was limited to creating lines to split Parcel 1, Parcel 2, and Parcel 3, adding alley / road vacation information, locating the ponds, existing bituminous driveway, and structures, and writing three new legal descriptions. No exterior boundary work was performed in 2013/2014. Field work mentioned above was completed 7/23/2013.

Approved by the Town of Thomson, MN
